	pplicant/Applicant's Representat	ive Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed:

Examiner and applicants discussed claim amendments that would recite that the server provides events to the remote gaming terminal over the first communication link, that the server communicates the personal information to the third party for verification, that the specific player is qualified or certified based on the accepatable criteria, that the verification devices communicates personal information to the server over the second communication link, and that the server permits the game event to commence or continue on the gaming terminal upon signaling from the third party that the personal information is verified. Applicants will submit a supplemental response reciting these amendments..
